

## **UNPLATED AND/OR JUNK VEHICLES IN NIMISHILLEN TOWNSHIP**

There are a number of unplatd and/or unsightly junk vehicles in the township. It is important for property owners and residents to have current plates on vehicles and to remove or store unsightly inoperable junk vehicles. Zoning regulations were established to protect residents. Help zoning by keeping your property clear of unsightly vehicles. Offenders will be notified by the township zoning inspector. If vehicle(s) do not have current plates, are not removed and/or stored in a timely manner, they will be towed at the property owner's expense as stated in the Nimishillen Township Maintenance Code per section 505.87 of the Ohio Revised Code and passed by the Board of Trustees per Res#06-101. Keep your property free of unsightly refuse and debris. **BE NIMISHILLEN TOWNSHIP PROUD!**
